Let's be honest - we already expected the sequel to 2018's phenomenal God of War to slip from its supposed 2021 release and into next year. Santa Monica Studio's radio silence on the project has been deafening, and industry insiders had already suggested that what we're all calling God of War: Ragnarok (still a working title, that) was now a 2022 release.

'God Of War: Ragnarok' Officially Delayed Into 2022

The ability to control the temperature and set temp schedules through the Traeger app and the smoker's WiFIRE Technology is incredible.
