About ASPIRE Vape Co. Aspire first launched in 2013, making a name for themselves with the incredible Nautilus tank system. This was one of the very first vape tank systems capable of adjustable airflow, making it easier than ever for vapers to adjust the density of their vapor clouds and the restrictiveness of the draw. Adjustable airflow tanks quickly became the standard for quality across ...

VOOPOO's PnP Coil Series stands for Plug 'n' Play, a term describing the press-fit nature of installing their coils, eliminating the threaded connection that so many other coils use. This slight change made installing these prebuilt coils much easier, preventing accidental mistreads that could cause leaking issues or a poor connection.
