an American peddler, alcoholic, and murderer, who in 1890 became the first person in the world to be executed by electric chair. He was convicted of murdering Matilda "Tillie" Ziegler, his common-law wife, two years earlier. Although electrocution had previously been successfully used to kill a horse, Kemmler's execution did not go ...

Poems - Poetry.com

To say that William Wallace's execution was horrible is an understatement. So hated was he by King Edward I that when it finally came time to order the death of the man, the punishment would be far more severe than most executions. William Wallace was stripped naked and dragged through the streets of London by horse.
