Dgr Manual 56th Edition
Chapter 18 - Incident Reporting and Investigation. Though the terms "incident" and "accident" are often used interchangeably when referring to reporting procedures, a distinction should be made between the two words.An accident is an unplanned event that results in injury, harm, or damage. An incident is an event with the potential to cause injury, harm, or damage.

Chapter 16-20 - Canadian Biosafety Handbook, Second Edition
