The selection of an appropriate drill point angle for your bit should be informed by questions about your application. Yes—a hole is a hole is a hole—but what is the purpose of the hole, what type of metal are you cutting into, and what are the specifications for the finished hole? In addition to the drill point angle, factors that can affect successful drilling include:

Which Drill Point Angle Should I be Using? | Regal Cutting ...

The third cave is near Mideel, and you'll need a Black, Blue, or gold Chocobo to enter. Inside is a Quadra Magic Materia. Also, if you manage to breed a Gold Chocobo, take it to the last special Materia cave, which is an island in the northeast corner of the map that holds the best summon Materia in the game, Knights of the Round.

Steam Community :: Guide :: Final Fantasy 7 Full Guide

Dancing-girl costumes were the performance attire of female dancers, including enslaved beings in the palaces of Hutts. They typically consisted of an ornamented metal harness on top with varying garments on bottom, and usually revealed much of the wearer's limbs, chest, and abdomen. When Jabba the Hutt captured Leia Organa at his palace, he forced her to wear a dancing-girl costume, but she ...
