Entitling this book 'Hunt for the Skinwalker' doesn't really begin to cover the range of beings that purportedly emerged upon the Gorman family's Utah ranch in the mid-1990's to the early 2000's. There's quite a lot to break down with this work, so fortunately the book itself helps us in this endeavour by being divided into three parts.

The Hunt For Skinwalkers movie was a DISAPPOINTMENT and BORING. There was very little if any new Bigelow / Skinwalker Ranch video and certainly nothing interesting. No new revelations at all, same old undocumented stories we heard so many times before. Much of the dialog and narration is speculation, and meaningless circle speak.
