Managerial Dilemmas: The Political Economy of Hierarchy. In organization theory a schism has developed between the traditional organizational behavior literature, based in psychology, sociology and political science, and the more analytically rigorous field of organizational economics.

### Managerial Dilemmas: The Political Economy of Hierarchy by ...

Overview. In organization theory a schism has developed between the traditional organizational behavior literature, based in psychology, sociology and political science, and the more analytically rigorous field of organizational economics. The former stresses the importance of managerial leadership and cooperation among employees, while the latter focuses on the engineering of incentive systems that will induce efficiency, and profitability, by rewarding worker self-interest.

Managerial Dilemmas: 4. Horizontal dilemmas: social choice in a decentralised hierarchy--. 5. Vertical dilemmas: piece-rate incentives and credible commitments--. 6. Hidden action in hierarchies: principals, agents, and teams--. 7. Hidden information in hierarchies: the logical limits of mechanism design--.

### Managerial dilemmas : the political economy of hierarchy ...

Managerial Dilemmas: The Political Economy of Hierarchy provides an intriguing synthesis of two disparate literatures on hierarchical organizations. The first such strand stems from the field of economics. According to this view, challenges to organizational control are derived from the selfish and apathetic nature of workers.
