A summer perch in a mulberry tree. By Harlan Kirgan on Friday, June 25, 2021 As you may have surmised one of my favorite things to do is to poke around in old newspapers, looking for little items that reflect the character of a place or of the times, or that just catch my fancy. One of those last kinds, was an item about the formation of a band ...

Tree-planting is the process of transplanting tree seedlings, generally for forestry, land reclamation, or landscaping purpose. It differs from the transplantation of larger trees in arboriculture, and from the lower cost but slower and less reliable distribution of tree seeds. Trees contribute to their environment over long periods of time by providing oxygen, improving air quality, climate ...
