Under state law, you also have the right to defend other people. So long as the person you were defending was justified in using force, you may use the same amount of force in protecting them. In addition, self-defense also applies to property. This includes personal property, such as your wallet, as well as real property, like your house.

Understanding California's Property Taxes. ... State laws control the allocation of property tax revenue from the 1 percent rate to more than 4,000 local governments, with K-14 districts and counties receiving the largest amounts. The distribution of property tax revenue, however, varies significantly by locality.
