I paint the traditional watercolor way where I use white as a medium and the other way around from dark to light, where I add white gouache (an opaque watercolor). Frequency 1 video / day Since May 2014

70 Watercolor Painting Youtube Channels For Watercolorists

When the weather is gorgeous, it's such fun to spend an entire day outside playing and learning. We've played in the mud, drawn and written with chalk, gotten the goop out, made fairy houses, and splashed around with sand and water. The favorite activity by far, though, is often this super simple gravity painting project.

Splat Art: Explore Science and Art in Preschool | Fun-A-Day!

The Pittsburgh Watercolor Society presents two major exhibits per year, and others as opportunities become available. Waterworks is a members-only show with awards selected by a regional juror. Members choose their best piece to exhibit. Aqueous Open is an international juried exhibition with entries open to artists from around the world. The ...

How to Watercolor Paint on Fabric | Tutorial - Ella Claire ...

Watercolor paper is thicker (or has more weight) which allows the water-based color to sink in rather than collect on top. It also has texture which helps with the absorption. Keep in mind that if you use another type of paper or a cheaper watercolor paper, the fibers will begin to pill if you try to layer colors or add too much water.
